

MORE new Products for January!
**Allison parts & torque converter
pump hubs**

Allison B500, HD4060, HD4560, 4000 WORLD SERIES:

Overhaul kits, plates, filters and various other parts available for this PSV/commercial transmission.

Torque Converter Pump Hubs:

Torque converter pump hubs replaced at the fraction of the price of a new impeller pump.

- We remove the damaged hub and weld a new hub in place.
- The converter is then pressure tested to check the weld has no leaks.
- Also Converter lock up damper plates relined.
