

JP (Automatic
Transmissions) Ltd

VW Audi ECU / Mechatronics

JPAT can supply VWAG mechatronics and ECUs at a very competitive rate.

These include:

02E

01J

0BH

0B5

0AM

0AW

0AN

Please note – these are manual order only. We will require the Vehicle Identification Number to provide the correct software level. All will require re-adaption after fitting. 7 speed DSG – 0AM, 0B5, 0BH – may need adaption at the dealer.
